

**BACK TOGETHER AGAIN**

Seems we've weathered  
Hard times we've been through  
In silence I've waited  
I missed you (**missed you too**)

**Cause you, you and I  
Back together again  
Got the world in a spin**

It's all come together  
Problems we've defeated  
And I'm in, my heart in hand  
You take all that I got  
**You need it, baby**

**Cause you, you and I  
Back together again  
Got the world in a spin**

T/B: Love will last forever

S/A: Forever

T/B: We can make it real

S/A: Got to be real

T/B: Say you'll leave me never

S/A: Leave me never

All: We can truly feel

All: I feel like you

**Back together**

**Back together**

Younger and wiser  
Time has shown the way  
We've come  
Full circle  
To **stay**

**Cause you, you and I  
Back together again  
Got the world in a spin**

T/B: Love will last forever

S/A: Forever

T/B: We can make it real

S/A: Got to be real

T/B: Say you'll leave me never

S/A: Leave me never

All: We can truly feel

All: I feel like you

**Back together**

**Back together**

**Cause you, you and I  
Back together again  
Got the world in a spin**
