

HIGH

When you're close to tears
remember

Some day it'll all be over
One day we're gonna get so high

And though it's darker than December

What's ahead is a different colour

One day we're gonna **get so high**

And at

The end of the day

Remember the days

When we were close to the edge

We'll wonder how we made it
through, and at

The end of the day

Remember the way

We stayed so close 'til the end

Remember

It was me and you

'Cause we are gonna be

Forever you and me

You will

**Always keep me flying high in
the sky of love**

Don't you think it's time you started
Doing what we always wanted
One day we're gonna get so high

'Cause even the impossible
Is easy when we got each other
One day we're gonna **get so high**

And at

The end of the day

Remember the days

When we were close to the edge

We'll wonder how we made it
through, and at

The end of the day

Remember the way

We stayed so close 'til the end

Remember

It was me and you

'Cause we are gonna be

Forever you and me

You will

**Always keep me flying high in
the sky of love x2**

High, high

High, high

High, high

High...

And at

The end of the day

Remember the days

When we were close to the edge

We'll wonder how we made it
through, and at

The end of the day

Remember the way

We stayed so close 'til the end

Remember

It was me and you

'Cause we are gonna be

Forever you and me

You will

**Always keep me flying high in
the sky of love x3**
